Holds Hands

September 2023

The continuation of Rantej Singh's impact and legacy.

We are honored to present the inaugural RaSi Holds Hands newsletter, a window into the heart and soul of our organization. Rantej touched the lives of countless individuals with his kindness, generosity, and unwavering commitment to making a difference. He lives on through the work of this charity.

Our core ideals revolve around 'nishkam seva' which means selfless service. We tend to focus on three things: Education, Community work and Cultural awareness. We've taken on several initiatives since the middle of 2022 around this mission in the Bay Area.

Education & Athletics

Helping our future leaders in any way possible.

- We have provided Academic Scholarships for students graduating from Antioch High School and Hayward High School.
- Furthermore, we are developing a post-scholarship mentorship program to help students excel in any field where we can provide value.
- We have also created a Sports Fund where we provide equipment to help athletes excel in their respective sports.
- School supplies and Snacks, stocked at a local Elementary School in a dedicated Cubby.

Food Seva

12,150 meals distributed!

- In December 2022, we started our monthly food drive at Hayward High School in the Bay Area.
- In April 2023, we initiated our program with Concord Shelter where we donate food and personal items on a weekly basis.
- The rest of 2023 and beyond we will endeavor to add on to the list of places for Food Seva.

"Our school community truly appreciates the generosity that Rasi Holds Hands has shown us."

Shannan Carpenter-Bell

"We can't thank you enough for all that you do for our Shelter... you have been such a blessing to all the clients and staff... you bring so many smiles and joy to everyone... "

Willy Vega, Concord/The Philip Dorn Respite Center/Care and Warming Center Site Supervisor

Reading & Cultural Awareness

Sharing knowledge and culture.

- To encourage reading and sharing, four Book Nooks have been set up so far, with more on the way.
- RaSi held a Langar seva in collaboration with NYU Sikh Association at Kimmel Center NYU in March 2023.
- In May 2023, we helped the Bruins Bhangra team with their annual bhangra competition in Los Angeles.
